Buyer shall pay the amount of all such taxes as at any time requested by Seller as if originally added to the price. If Seller pays such taxes, Buyer shall reimburse Seller therefore.
- 7. SECURITY INTEREST AND DEFAULT.** Seller shall retain a security interest in Equipment until the total selling price, including taxes, delivery and other charges, is paid in full by Buyer. Buyer agrees to sign and deliver to Seller any additional security interest and UCC documents required by Seller and agrees to do such other acts and execute such other instruments as Seller may request to give Seller a valid security interest in the Equipment.

If Buyer fails or refuses to accept delivery of the Equipment and parts ordered hereunder or shall default in the performance of any of the terms, covenants and conditions of this Agreement, Seller may retain the cash deposited or paid to it and the Equipment accepted by it on account of the sale price, if any, and apply the same toward payment of its damages. If the Equipment has been delivered to Buyer at the time of default, Seller may declare the full amount due and payable without notice or demand and may repossess the Equipment. Repossession and disposition of the Equipment, and suit for any deficiency, shall be pursuant to applicable laws. The remedies provided herein in favor of Seller shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies available to Seller's at law or in equity.
- 8. WARRANTY.** The manufacturer's warranty for Equipment in effect at the time of sale confirmation for the Equipment shall apply. Seller makes no representations or warranties of any kind or character as to the Equipment, and hereby disclaims all warranties or representations, expressed or implied, including but not limited to the warranties of fitness for any particular purpose, merchantability, quality, design or condition of the Equipment, or conformity to models or samples.
- 9. DELAYS.** Seller shall not be liable for loss or damage due to delay in delivery or manufacture of the Equipment, or commencement or completion of Services, resulting from any cause beyond Seller's reasonable control, including but not limited to, compliance with any regulations, orders, or instructions of any federal, state or municipal government or any department or agency thereof, acts of God, acts or omissions of Buyer, acts of civil or military authority, fires, strikes, factory shutdowns or alterations, embargoes, war, riot, delays in transportation or Seller's inability to obtain necessary labor, manufacturing facilities or materials from the Seller's usual sources; and any delays resulting from any such cause shall constitute a waiver of all claims for damages. **IN NO EVENT SHALL buyer or seller BE LIABLE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL LOSS OR DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS PROFITS AND LOSS REVENUE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES, however same may be caused.**
- 10. CANCELLATION.** Buyer may cancel its order, reduce quantities, revise specifications or scope or extend schedules only by agreement by Seller in its sole discretion. In the event of such agreement, Buyer shall be liable for reasonable and applicable charges which shall include but not be limited to restocking fees, freight charges, cancellation charges, demobilization costs, or other similar charges, and shall also take into account expenses already incurred or to be incurred by Seller and commitments made by Seller, and Buyer shall indemnify Seller against any losses resulting therefrom.
- 11. ENTIRE AGREEMENT AND APPLICABLE LAW.** The rights and obligations of Seller and Buyer under any order placed pursuant hereto shall be governed by the laws of the state of Texas. The provisions hereof are intended by Buyer and Seller to be the entire agreement pertaining to the subject matter hereof, and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties hereto pertaining to the subject matter hereof. No waiver, modification or addition to any of the terms hereof shall be binding on Seller unless made in writing by the General Manager or the General Sales Manager at Seller's branch as stated herein. In the event of conflict between a service agreement or Buyer's purchase order and the terms hereof, the latter shall control.
- 12. TITLE.** Title to the Equipment shall not pass to Buyer until the purchase price has been paid in full. In the event of non-payment within sixty (60) days after delivery, Seller reserves the right to repossess the Equipment and to charge a reasonable sum for the use thereof during the period from delivery to repossession.
- 13. ENFORCEABILITY.** If any part or provision of this Agreement is declared invalid by a competent authority, such declaration shall not have the effect of invalidating or voiding the remainder of this Agreement. The parties agree that the part(s) of this Agreement so held to be invalid, void or unenforceable shall be modified to the extent required to make it enforceable, or, if necessary, the Agreement shall be deemed to be amended to delete the unenforceable part or provision, and the remainder shall have the same force and effect as if such part or provision had never been included herein.
